JET JOCKEYS

The sky is their blackboard,
 the jet trail their chalk,
 Horizons for windows, cloud
 carpets to walk,
 Sun and stars are their play-
 mates, wind and weather
 they fight,
 Kids learning by doing, and
 doing all right!

Helmeted centaurs outrunning
 sound,
 Celestial cavalry scorning the
 ground,
 Learning their lessons, discov-
 ering when,
 In shaming the eagles, boys
 become men!
